Style meets function with Bentley’s clothing and accessories.

Bentley’s style reaches far beyond the worlds of fashion and car design. Our range of clothing and accessories is crafted around the lifestyle that has long been associated with the Bentley world and subtly draws inspiration from inimitable Bentley design features.

One of the signature pieces in the collection is the iconic leather jacket. Crafted from soft aniline lambskin leather, it features the same intricate detailing that goes into each Bentley car. The pure cashmere woven scarf artfully features the distinctive Bentley diamond quilting pattern and the contemporary briefcase takes inspiration from the iconic wing shape of a Bentley dashboard.
A bold statement, right down to the smallest stitch.

Statement pieces in the collection are made by hand from the highest quality fabrics, with Bentley’s exquisite stitching, design and embroidery on display throughout. A stylish range of knitwear, including jumpers, hats and scarves, blends wool with cashmere and features a subtle pattern inspired by Bentley’s renowned matrix grille.

Luxurious leather handbags complete the look, with elegant hand-crocheted handles and diamond quilted interiors – shaped, stitched and brought to life by skilled Tuscan artisans. Each one takes between 15 and 20 hours to create, typically using 1.5 to 2 square metres of leather. The exquisite leather craft is an extension of the meticulous attention found within Bentley’s car interiors.
Accessories that are distinctive by design.

From the moment the first Bentley was created in 1919, the human touch has been vital to our philosophy of unrivalled craftsmanship. This philosophy reaches beyond our car models, to the entire Bentley Collection. We only source the finest materials for our accessories, including Italian leather for our purses and wallets. Chrome plated pieces, from subtle studs and emblems on our leather pieces to cufflinks and letter openers, evoke the gleaming exterior detailing seen on every Bentley model since 1919.
Stylish, exquisitely crafted eyewear.

Synonymous with world-class excellence and intricate, hand-crafted pieces, Bentley Eyewear reflects many of the superlative qualities found in Bentley cars. The collection fuses exquisite craftsmanship and innovative technology with subtle accents of individuality. High-performance lenses with state-of-the-art coatings ensure supreme clarity and excellent visual performance.

The latest addition to the Eyewear portfolio is B-Light, a contemporary, lightweight and on-trend collection made of Beta titanium fused with 23.5-karat gold and palladium. Handmade in Japan, the range incorporates the Bentley diamond knurling design, for a satisfyingly tactile effect.
Capturing 100 years of craftsmanship.

10 July 2019 marks Bentley’s 100th year. The pieces in this limited edition collection celebrate this remarkable milestone, while looking forward to the decades ahead. Each design features the Bentley ‘100 Extraordinary Years’ logo, and many also include Centenary Gold details similar to those which appear on every car built during this very special year. From exquisite pieces that will enrich any dinner table, to stylish apparel and accessories, the spirit of an incredible century is embedded into every one.
An expression of Bentley’s visionary spirit.

Our Heritage Collection is a set of exquisitely crafted pieces paying tribute to Bentley’s rich racing heritage, one that stretches all the way back to the Bentley Boys and their string of 1920s victories at Le Mans. Influenced by classic colours and materials, while also adding a distinctly modern feel, the range exudes effortless, relaxed style with a dash of flair. With elegant clothing, stylish luggage and adorable toys, the collection truly has something for everyone.
Stylishly casual pieces, designed to complement your lifestyle.

Whether you’re exploring the world around you or relaxing in the comfort of your home, you can do so in style with our soft cotton activewear in a range of simple yet elegant colours. These pieces are complemented perfectly by a range of accessories, including coffee cups and keyrings that feature the signature Bentley diamond quilt pattern. Useful and stylish, these accessories have been designed to fit perfectly into your home – or to be taken with you, wherever you travel.
Add a sense of occasion to every work day with the Bentley Business Collection.

The Bentley Business Collection has not only been inspired by 100 years of time-honoured tradition. It is inspired by you, and shaped to suit your unique lifestyle. Designed to meet the demands of the modern professional and the standards you expect from Bentley, every piece exudes unmistakable Bentley style. From beautifully textured holdalls to bold desktop accessories, this range will complement and enhance every working day.
The art of attention to detail.

The items in the Business Collection use only the finest materials and feature striking design details that have long been Bentley hallmarks. For example, the iconic diamond stitching pattern features across many of the flawless leathers, while gleaming brushed chrome adds an unmistakably Bentley touch to metal accessories.

A special new collection of writing instruments, designed by Graf von Faber-Castell for Bentley, also draw inspiration from eye-catching Bentley paint colours including Sequin Blue, Tungsten and White Satin. These striking colours decorate the slender metal barrel of each pen along with an elaborate diamond pattern detail.
Transition from car to course with the Bentley Golf Collection.

The Bentley Golf collection marries the worlds of luxury and craftsmanship with the finest in sports and performance. The stylish luggage contrasts an ultra-soft waterproof leather with a water-resistant technical fabric in a design inspired by the lines of the Continental GT, for a result that is both incredibly durable and effortlessly stylish. A range of accessories, from gloves to golf balls, provide everything you need for a day on the course.

Fusing traditional Japanese forging techniques with modern-day CNC milling, a range of Bentley golf clubs is also available at BentleyGolf.com.
A Home Collection crafted around you.

Elegance and contemporary design are the hallmarks of the Bentley Home Collection. Eye-catching and rich in detail, the range welcomes the style and craftsmanship of Bentley into your home.

Iconic silhouettes and shapes synonymous with Bentley have been translated into a new language of modern interiors. From leather photo frames and modern home sound systems to Murano glass vases and cashmere blend throws, every home accessory is designed to fit seamlessly into your life. All have exquisite details that make them stand out, yet are flexible enough to allow your personal style to shine through.

Designed to delight the senses.

With our range of home fragrances – each elegantly blended to evoke Bentley’s aromatic world – you can add your own unique touch to every room. The Nemus 11 fragrance is characterised by deliciously warm, woody notes, while Tergus 37 draws on the rich scent palette of leather. Together, they represent a stunning, sensory expression of Bentley’s spirit – and a focal point for contemporary family living.

Appealing to the sense of touch, pleasingly tactile materials are used throughout the range. Luxurious leather pieces, including a stunning jewellery case, echo Bentley’s signature diamond-quilting pattern, while knurled metal graces the exterior of candle holders and reed diffuser bottles.

Bentley’s Fragrance Collection – a spirit of discovery in every drop.

Designed for the discerning individual, to meet the demands of every lifestyle, the Bentley Fragrance Collection draws on a prestigious world of rare natural ingredients to create remarkable fragrances. Developed with the finest artisan perfumers and glassmakers, each fragrance has passion, time-honoured tradition and elegance distilled into every bottle.

Now the range is joined by ‘Bentley Beyond – The Collection’, three evocative scents for both men and women inspired by W.O. Bentley’s love of travel. Matching peerless ingredients with exotic destinations, you will be instantly transported.
Exquisite attention to the smallest of details.

An exquisite collection of scale models showcases Bentley’s meticulous craftsmanship. From the new Continental GT and the stunning Bentayga to Motorsport cars and historic models from Bentley’s past, each one features exacting details that mirror their life-size counterparts.

For something even more extraordinary, bespoke 1:8 Continental GT Coupé and convertible models can be fully customised. Everything from the paint, hide and colour configuration to the seat quilting or fluting, veneers and alloy wheels can be tailored to match your actual, or ideal, car.
